

**1986
DS Golf Car
Owner's Manual**

Electric Vehicles

Manual Number 1013703
Edition Code 0985B1008A

WARNING:

This instruction book should be read completely and carefully before attempting to drive or service this car. Failure to follow the instructions in this book could result in severe personal injury or death.

Safety Details:

It is important to note that some statements throughout this manual are preceded by the words **DANGER, WARNING, CAUTION** or **NOTE**. We recommend that you take special notice of these safety procedures for your protection. Safety procedures are essential and must be followed.

DANGER:

A danger indicates an immediate hazard which will result in severe personal injury or death.

WARNING:

A warning indicates an immediate hazard which could result in severe personal injury or death.

CAUTION:

A caution indicates hazards or unsafe practices which could result in minor personal injury or product or property damage.

NOTE: A note provides key information to make procedures easier or clearer.

These safety procedures must be followed whenever the car is being repaired or serviced. Other specific warnings appear throughout this manual.

WARNING:

Only trained people should repair or service this car. All people doing even simple repairs or service should follow the correct procedures and obey the warnings listed in this manual.

Always wear safety glasses or approved eye protection when servicing the car.

Remove key, place forward and reverse switch in neutral (straight up position) and disconnect batteries before working on car.

Remove these battery cables before working on car.

DANGER:

Battery vapors — flammable — explosive — Do not smoke. Keep sparks and flames away from the area of the car. Only service in well ventilated area.

If any of the warning labels become damaged, removed or cannot be easily read, they should be replaced immediately. Contact your CLUB CAR Distributor/Dealer.
