

**1990-1991  
Tourall  
Owner's Manual**

**Electric Vehicles**

Manual Number 1015444  
Edition Code 0889B1008A

## WARNING:

This instruction manual should be read completely and carefully before attempting to drive or service this vehicle. Failure to follow the instructions in this manual could result in severe personal injury or death.

### Safety Details:

It is important to note that some statements throughout this manual are preceded by the words **DANGER**, **WARNING**, **CAUTION** or **NOTE**. We recommend that you take special notice of these safety procedures for your protection. Safety procedures are essential and must be followed.

## DANGER:

A danger indicates an immediate hazard which will result in severe personal injury or death.

## WARNING:

A warning indicates an immediate hazard which could result in severe personal injury or death.

## CAUTION:

A caution indicates hazards or unsafe practices which could result in minor personal injury or product or property damage.

**NOTE:** A note provides key information to make procedures easier or clearer.

The safety procedures listed below must be followed whenever the vehicle is being repaired or serviced. Other specific warnings appear throughout this manual.

## WARNING:

Only trained people should repair or service this vehicle. Everyone doing even simple repairs or service should follow the correct procedures and obey the warnings listed in this manual as well as the maintenance and service manual.

Always wear safety glasses or eye protection when servicing the vehicle.

Remove key, place forward and reverse switch in neutral (straight up position) and disconnect batteries before working on vehicle.

Always use insulated tools when working around batteries or electrical connections.

Improper use of this vehicle or the failure to maintain it could result in decreased vehicle performance or severe personal injury.

Any modification or change to the vehicle which affects the stability or increases the speed beyond the factory specifications could result in severe personal injury or death.

## DANGER:

**Battery Vapors — Flammable — Explosive — Do not smoke. Keep sparks and flames away from the area of the vehicle. Only service in well-ventilated area.**

If any of the warning labels become damaged, have been removed or cannot be easily read, they should be replaced immediately. Contact your Carryall line Dealer.

Remove these battery cables before working on vehicle.
